We know how stressful planning a wedding can be, all the time and energy this involves to get everything perfect. After all, there are no second chances when it comes to your wedding day!

This is where we come in....

We take the time to get to know you so we can design a concept to fit your venue, budget and your personalities. This takes place at our showroom and is complimentary.

During your planning, we will keep in regular contact and you will be invited back to the showroom to see a full table set up, exactly how your tables will be styled on your wedding day. In the week leading up to your wedding, we will contact your venue to arrange timings.

On your wedding day, we will arrive and begin transforming your venue with all the pretties you have picked! We will be there checking every detail and styling your day, whilst you are sipping champagne and relaxing!

How it works

Step One: 'Meet'

Firstly, we meet at our gorgeous showroom in Nottingham to talk through your colours, venue and any ideas you may have.

Step Two: 'Inspiration'

We create a bespoke quote and send over any mood-boards or inspiration photos we discussed. From this point, your date is held for 1 week.

Step Three: 'Booking'

Once you are happy with your quote, we'll ask for a 25% booking fee to secure your date, we will also send a Booking Contract and Wedding Questionnaire for you to complete. You can then rest easy knowing your venue styling is being taken care of!

Step Four: 'Mock up'

12 - 18 weeks before your wedding we will invite you back to our showroom for a full mock - up, this will allow us to make any changes if required and all be confident that your day is going to look exactly how you imagine!

Step Five: 'The Run-up'

6 weeks before your wedding, your remaining balance is due, this is also where we finalise timings with your venue and liaise with other suppliers. You can relax in the final run up knowing everything is in hand.

Step Six: 'Wedding Week'

The week of your wedding!!! Eeeek how exciting!!! We will touch base with your venue, just to check nothing has changed and we will drop you an email to confirm where we will be and when!

Step Seven: 'Wedding Day!'

It's the morning of your wedding!! Don't worry, we don't need anything, we will arrive at the venue at the time agreed and will get cracking with styling your big day whilst you are sipping champagne and getting your hair and make - up done!

Step Eight: 'Morning After!'

Hooray!!! You are married! We will be at your venue the next morning to collect everything and take it back to the showroom and you can enjoy the start of your married life without worrying about a thing!!
